my relationship vision

(positive, short, present tense statements beginning with “We”)

examples

We take time daily to listen to each other’s thoughts, feelings and stories.

We keep the romance alive through daily attentive gestures and weekly dates.

We respect the ways in which we are different and cherish our similarities.

We resolve conflict through dialogue and containment.

We take walks together in nature, and frequently hold hands.

We delight one another with random and unpredictable surprises.

We share the practice of a spiritual tradition and honor each others journey of faith and doubt.

We enjoy our sexual chemistry and make love frequently.
